Subject: Request for a Salary Increase

Dear Mr. Xyz,

I hope you're doing well. I'm writing to discuss my current salary. Over the past year, I've worked on key projects, including developing robust Java applications, enhancing system performance, and collaborating with the team to deliver high-quality solutions. I've also taken on additional tasks, such as improving code efficiency and troubleshooting complex issues.

Given these efforts and the responsibilities I've handled, I'd like to request a salary increase. Could we arrange a time to discuss this?

Thank you for your time and support. I look forward to hearing from you.

Best regards,
Disha Jasani
